

Italian Open & Capri Exclusive Tour

The exclusive tour starts with the semi-final and final matches of Italy's premier Masters 1000 event, the Italian Open. You will enjoy the matches from premier seats at the Foro Italico.

Between our time at the tennis tournament we will enjoy private, guided tours of some of Rome's most fascinating places. We will stay in a 5-star boutique hotel, located in a trendy spot in central Rome. After experiencing the thrill of the tournament and the sites of Rome, we will head to the magical island of Capri.

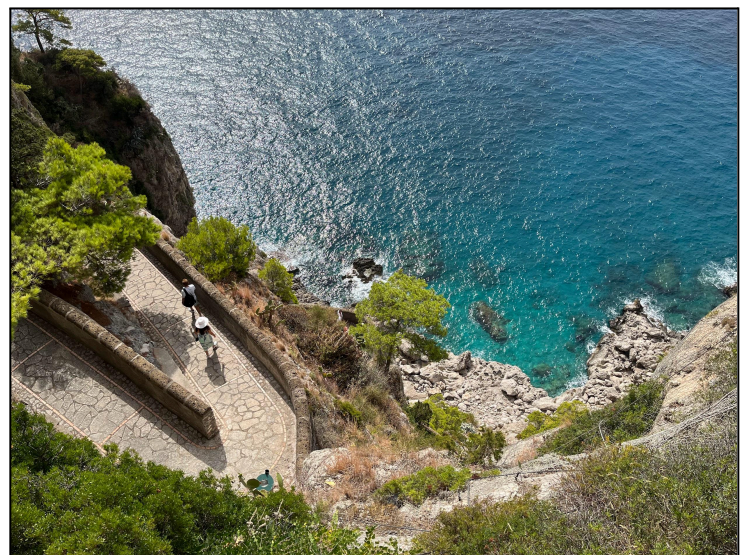

We will spend four nights in a boutique hotel on the island of Capri. While on the island, there will be time for you to explore on your own, as well as enjoy a private boat excursion around the island, and privately-guided visits to some of the island's highlights. You will have the chance to test your tennis skills on clay by

participating in tennis clinics led by our tennis pro on the island. All while enjoying the jaw-dropping beautiful scenery of the island.

We will head back to the mainland for our last night in Naples, on the way, we will explore Pompeii with a private archeologist to guide us through the ruins and bring the village back to life through stories and descriptions. After the tour, we will head to a boutique hotel on the promenade of Naples for one night.
