

THE COLORS OF SICILY

Our 10 day tour of Sicily takes you around the island, to discover all that it has to offer. Sicily is a land of extremes and contrasts, a magnification of all things Italian. The island offers it all: 3,000 years of history, architecture and gastronomic delights, volcanoes that light up the night skies, mountain ranges and a coastline that is spectacular.

From the well-known cities, such as Palermo, to the resort village Taormina, the island (which is the largest in the Mediterranean) is packed with things to see and places to go. The island is a vast open-air museum, a testament to nearly every Mediterranean civilization of the past.

Our tour will start in Palermo. We visit the highlights of the city, enjoy a private tour of a palace and see other hidden secrets – all the experiences to give us the true flavor of the history and traditions of Sicily.

After Palermo we make our way around the island visiting some of the sites of ancient traditions, and visiting breath-taking villages.

Our next stop is Agrigento, where we will visit the magical Valley of the Temples. Our hotel offers unique opportunities to enjoy the temples and also a spa treatment if so desired.

From Agrigento we will head to the eastern coast of the Island, to the town that many consider the jewel of Sicily: Taormina. Perfectly perched on a rocky promontory high above the sea, Taormina has been the most popular

tourist destination in Sicily for a couple of hundred of years.

In addition to the Greek theatre it has beautifully restored mediaeval buildings, breathtaking views around every corner and a lively network of winding streets filled with shops, bars and restaurants.

Taormina's past is Sicily's history in a microcosm: Greeks, Romans, Byzantines, Arabs, Normans, Carthaginians, the French and the Spanish all came, saw, conquered and left.

On our way to Siracusa, where we will spend a day on Mount Etna, discovering the geology, fertile produce and dining at a local farm to table restaurant. Our last nights will be in Siracusa, a city that boast some of the most beautiful baroque monuments.
