

PIEDMONT: Wine & Castles, Lakes & Truffles

The 10-day tour of the Piedmont region is filled with a variety of landscapes, food & wine, castles & the many picturesque villages. Piedmont is in Italy's northwestern corner, at the border with France and Switzerland. The tour begins in Turin, and ends in Milan. In Turin, we will make our way

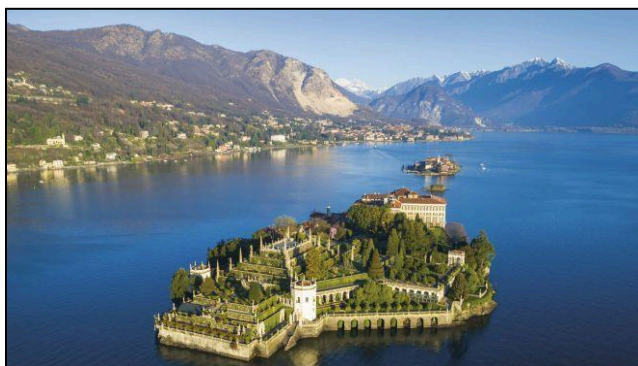

around town on a food tour where we will also see some of the most important sites (including the Cathedral of St. John the Baptist, where the Holy Shroud is housed). On our way to the wine area, we will stop to see a palace of the Royal family.

We will spend three nights in the heart of the wine area in a characteristic boutique hotel. While in the area, we will make our way through wineries, castles and other scenic spots. This area produces not only the award-winning Barolo and Barbaresco wines, but also the world famous truffles. You will have the option to participate in a truffle hunt.

After the wine area, we head to Lake Maggiore. We will spend two nights in this scenic area to fill our eyes and souls with the beauty the area has to offer.

We will then make our way to Milan, where we will spend our last nights. We will make our way to Milan's highlights, and allow for free time to finish up any shopping needs!
